Dynamic Catholic Book Program

On behalf of our entire parish, I'd like to wish you all a very happy Easter!

As you arrived for Mass today, you should've received the book *Why I Love Being Catholic*. This is an Easter gift from the parish to you!

Why do *you* love being Catholic? Matthew Kelly, the founder of Dynamic Catholic, asked thousands of people that very question. *Why I Love Being Catholic* is an inspiring, down-to-earth collection of their answers. The book celebrates the best of the Catholic faith and highlights the everyday miracles taking place all around us.

I invite you to read just a few pages each day. A few pages each day—that's all it takes to experience the beauty of the Catholic faith and to find hope and encouragement for your everyday life.

Once again, happy Easter! We wish you peace and blessings.

Note: We have found that these announcements are most effective when delivered by the pastor.
