**Dynamic Catholic
Book Program**

**On behalf of our entire parish,
I'd like to wish you all a Merry Christmas!**

As you arrived for Mass today, you should've received the book *The Biggest Lie in the History of Christianity*. This is a Christmas gift from the parish to you! We hope it empowers you to live life to the fullest.

You may have seen that the book's subtitle is "How Modern Culture is Robbing Billions of People of Happiness." Our culture is constantly feeding us lies and false promises. But the biggest lie isn't a lie the world tells us. It's a lie we tell ourselves. This book exposes the lie, gives you the practical tools to cut through the confusion around you, and reveals the one truth that is the key to experiencing more happiness than you ever thought possible. I invite you all to read just a few pages a day and see how it infuses your life with meaning and purpose.

I'm excited to start this journey with you! Once again, merry Christmas! We wish you all the joy and peace this season brings.

Note: We have found that these announcements are most effective when delivered by the pastor.
